Fund Performance and Simplified Prospectus

Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. Please read the prospectus before investing. Unless otherwise indicated and except for returns for periods less than one year, the indicated rates of return are the historical annual compounded total returns including changes in security value. All performance data assume reinvestment of all distributions or dividends and do not take into account sales, redemption, distribution or optional charges or income taxes payable by any security holder that would have reduced returns. Mutual funds are not guaranteed, their values change frequently and past performance may not be repeated. Mutual fund securities are not covered by the Canada Deposit Insurance Corporation or by any other government deposit insurer. There can be no assurances that the United Cash Management Pool nor the Artisan Canadian T-Bill Portfolio will be able to maintain their net asset value per security at a constant amount or that the full amount of your investment in these funds will be returned to you.

If you are a Canadian resident, you can obtain the applicable simplified prospectus for each mutual fund from your financial advisor or for funds offered by our sister company, CI Investments, including United Financial branded Solutions by calling 416-644-5650 or (Toll-free) 1-866-644-5650.

If you invest in CI products, CI will, through its ownership of subsidiaries, earn ongoing asset management fees in accordance with applicable prospectus or other offering documents.

Investments by the Funds in The Bank of Nova Scotia, CI Financial Corp. and other Related Companies

The United Pools (each, a "Pool" and collectively, the "Pools") have received permission from the Canadian securities regulators to invest in securities of The Bank of Nova Scotia and CI Financial Corp. and other Related Companies (each a "Related Company"). In connection with such investments, CI Investments Inc. ("CI") has established an independent review committee ("IRC"). Each member of the IRC is independent of CI in that none has a direct or indirect relationship with the funds, CI or any entity related to CI that a reasonable person would consider might interfere with the exercise of the member's independent judgment regarding conflicts of interest facing the manager of the funds. The purpose of the IRC is to review at least every calendar quarter the decisions made on behalf of each fund to purchase, sell or continue to hold securities of a Related Company and to form an opinion whether such decisions were, and continue to be, in the best interest of the fund and: (a) represent the business judgment of the fund's portfolio advisor, uninfluenced by considerations other than the best interests of the fund, (b) have been made free from any influence by a Related Company and without taking into account any consideration relevant to a Related Company, and (c) do not otherwise exceed the limitations of applicable law. The IRC will advise the Canadian securities regulators if the IRC determines that any investment does not meet the criteria described above, or if any other condition of the permission to make such investments has not been satisfied, together with any action that the IRC or the fund's portfolio advisor has taken or proposes to take following such a determination. In carrying out their responsibilities, the members of the IRC will exercise their powers and discharge their duties honestly, in good faith and in the best interests of the funds and, in so doing, will exercise the degree of care, diligence and skill that a reasonably prudent person would exercise in the circumstances. All members of the IRC currently are members of the Board of Governors of the funds and, as such, are paid a fixed annual fee which is allocated to all public mutual funds under CI's management (generally pro rata based upon their relative net asset values). There is no intention to pay the members of the IRC any compensation in addition to their usual compensation as members of the Board of Governors. For more information about the IRC, please read the simplified prospectus of the applicable fund.
